looking compared to the Spanish territorial home where some water trucks park and starting throwing a fit and filing complaints. Now everyone will pay!

I think we should all go trick or treating at Kips house. About 40 or 50 of us and show some community love.

Well, Kip Micuda, it looks like you will be the most hated person in the foothills. What a shame you couldn't mind your own business and realize that you are not living in Desert Highlands or Troon. There are a lot of us who have to have hauled water and can't afford a huge increase in price. Disgusting
